### PTL announces third new Client Director hire for 2020, with appointment of Ramona Tipnis

**PTL, the leading independent trustee and governance services provider, has announced the third new client director appointment since the beginning of the year with Ramona Tipnis joining its Birmingham office.**

Richard Butcher, Managing Director at PTL, commented: "We announced at the end of last year that we were recruiting four new client directors, to achieve our ambitious growth plans and meet the increasing demand for experienced professional trustees. Ramona is the third of these appointments at Client Director level, and we are very pleased to welcome her on board.

"We pride ourselves on our diverse team with varied pensions backgrounds. Ramona's combined experience of investment management, corporate and scheme governance, and trusteeship make her an ideal fit for us."

Ramona Tipnis, Client Director, added: "It was the team ethos, collaboration and commitment to providing outstanding governance that drew me to the role with PTL. At a time when the provision of pensions is rapidly evolving, they have steadfastly remained ahead of the curve, innovating to provide appropriate products and services. I am looking forward to collaborating in such an inspiring environment."

Ramona joins PTL from Inside Pensions where she helped a wide range of trustee boards navigate the increasingly complex pensions landscape in a challenging regulatory environment. She began her career in the City of London, working as both an investment manager and analyst, and also brings direct experience as an employer-nominated trustee to a multi-million pound pension scheme.
