### **Aries Insight announces a new client**

Aries Insight, the technical pensions legislation specialist, has announced BASF UK Pension Fund has re-joined the Aries Pensions Club.

Ian Neale, Director at Aries Insight, said: "I'm delighted to welcome BASF UK Pension Fund back to the Aries Pensions Club. BASF is our first new client since the lockdown and was secured following a remote presentation. BASF is a valuable addition to our existing client list of about 120 organisations and we are very excited to be working with them again. It's also incredibly rewarding to see that the new working environment hasn't affected Aries Insight's ability to deliver quality output for our clients."

Alison Willkins, Pensions Manager at BASF said: "Aries has clearly expanded its coverage a great deal since we first used their service a decade ago. As a busy pensions manager, having all the relevant knowledge at my fingertips with a research team also available gives me peace of mind."

## Notes to Editors

Aries is an innovative company dedicated to providing the best tools for pension managers, trustees, advisors and administrators to handle the complex regulatory environment for pensions in the UK. The firm combines a deep knowledge of pensions with well-honed systems engineering and a keen sensitivity to the needs of the pensions professional.

The Aries Pensions System is the foundation of the pensions technical support service now used by around 120 organisations throughout the industry: consultants, administrators, life offices, pension funds and specialist providers. Other Aries solutions include SIPP and SMPI illustration programs.
